Exploitation Workshop

EPIPELAGIC PROJECT

The EPIPELAGIC project's workshop meeting was a resounding success, organized by the partner GEOSYSTEMS HELLAS (GSH), responsible for the dissemination and exploitation actions. The workshop took place on Thursday the 16<sup>th</sup> of March 2023 at the Auditorium of Technical Chamber of Greece/ Section of Central Macedonia(TCG/SCM).

Notable guests honored the training workshop with their presence, representing both industry and SMEs, as well as representatives from local stakeholders, Academia, and governmental and research organizations.

During the meeting, presenters had the chance to introduce the EPIPELAGIC project, present the progress that has been made as well as point out their interest in the project EPIPELAGIC objectives regarding the coastal environment.

In addition, the Vice-president of TEE/TKM, Mr Michalis Papastergiou, and the representative of the Geotechnical Chamber of Greece, Mr Rigas Giannopoulos contributed to the meeting with their welcome statements.

#### Presenters:

*Betty Charalampopoulou (GSH), Christos Kontopoulos (GSH), Mr Michalis Papastergiou (TEE/TKM), Mr Rigas Giannopoulos (CGG), Dr. Dimitra Katsion, (UoA), Dr. Nikos Grammalidis, (CERTH), Mrs Georgia Sismani (TBP), Prof. Agis Papadopoulos (EYATH)*

Last but not least, on Friday 17<sup>th</sup> March, a field trip to Kalochori, Axios and Aliakmonas Delta National Park took place where a group consisting of project partners, visited the area in order to perform fieldwork activities.
